

## FS2 News letter

The Sea Goats have had a wonderful first week. They have all settled into the morning routine very quickly and they are all very eager to explore and learn. They have been busy recognising their name, meeting new friends and learning how to share their new classroom. The whole team have been very impressed with how mature and independent the children are and we are all very excited about the year ahead. As we move into full time next week (10<sup>th</sup> September) there will be only a small change to the start of the school day. To further support children's independence, we ask that you say your goodbyes at the school gate, while the children line up and walk through the FS2 playground as a class. They will then put their bags and coats on their own peg and sit on the carpet ready for registration. All the Sea Goats appear to be a confident bunch, but if there are any problems a member of the team will contact you.

### Important reminders

Children will need to bring their own named water bottle each day and we ask that it is filled with water and not juice. As the weather in Belgium can be very wet, we ask that a rain jacket and wellington boots can be kept in school so children can continue their exploration and learning even if it is raining. PE and Library session will start as soon as timetable have been confirmed.

### SNACK

**Monday – Rice cakes, cheese and oranges**

**Tuesday – Hummus, breadsticks and pears**

**Wednesday – Yoghurt and mixed fruit**

**Thursday – Cornflakes and apples**

**Friday – Madeleines and fruit salad**

*Children can choose milk or water at snack time*
