

# FS 1 Elf Class Newsletter

13.09.18

This week the children have been busy enjoying the story of the Light House Keepers Lunch and have loved making our sea side café. The children have also been exploring the different areas in the classroom, painting under the sea creature and making junk model boats. We have had a great time exploring the garden. Elf class have impressed us by using the learning Powers and 'Having a Go' at new things.

Elf class are looking for donations for an informal book area that can be used in the corridor by parents and children before and after school. Any books you would like to donate would be greatly received. We have a lovely classroom library but this new area would be for the children to access less formally in the corridor and waiting area. Many thanks to parents who have given us donations already.
