

FS2 News letter

The Sea Goats have had a busy first week. They have been great learners during the morning phonic sessions and have enjoyed experimenting with letter formation for the phonemes **s,a,t,i,p** and practising writing their name. They have been introduced to number blocks, where they have been counting, recognising and ordering numerals and writing some of the tricky numerals. They have enjoyed taking part in the 'interactive stories' using our fantastic new whiteboards which we will be using as a starting point for our drama square activities next week. The team would like to hold a Phonic Workshop and Tapestry meeting for parents. Please watch this space for further details. Have a great weekend.

Important reminders

The PE session will take place each **Wednesday** beginning on **Wednesday 27th September**. Children will need to bring their PE kits into school on this day ensuring they have their team t-shirt, shorts and indoor plimsolls / trainers. The Sea Goats need lots of junk for our modelling area. If you have any boxes, cartons, plastic bottles etc. please may we have them?
