

FS 1 Elf Class Newsletter

4.10.18

This week Elf class have been busy making woodland creatures from junk modelling as a follow up to our story about Percy the Park keeper. We have been looking at the weather making raindrops and rainbows using different materials. Outside the children have observed spider webs covered in dew and this led to some really nice web making. In our forest school activities we collected leaves and looked at the different shapes and colours making some great Autumnal leaf designs. The children love to tidy the garden collecting leaves and acorns.

Buzy Bees

As part of our newsletter we like share what the Buzy Bees have been doing in the afternoon sessions in the EDC This week the EDC we have enjoyed our first cosmic yoga session Namaste!
