

FS 1 Elf Class Newsletter

12.10.18

What a busy week! On Monday the children took part in the Big Toddle with Home-Start and FS2 raising money for Barnardo's. They 'toddled' along the fields and around the woods. It was quite an adventure through the mist! When they got back to school they had a fabulous picnic. Many thanks to all parents- your support makes these events possible and we loved the costumes. On Tuesday we joined the main school in an opening ceremony which was great. Later in the week we listened to the story of Cinderella and have been making glass slippers and magic wands.

Well done Elf Class !
