This week the children have enjoyed celebrating Diwali. We shared this work with the German Section who joined us. The children made Rangoli patterns inside and outside at Forest School. We made magical lanterns using paper and made clay Divas lamps. We have also explored Diwali dance. This followed up the lovely work they did last week when we visited the German section to make Saint Martin's day lamps. Our international workshops are a great way of making new friends.

Reading Workshop

I am running a parental reading workshop on Wednesday 28th November in FS1 from 9.15-10 a.m. It's a great opportunity to share our approach to early reading and have a go at some great games you can try at home. Free reading pack and resources to take away!
