

## FS2 News letter

The Sea Goats have finally achieved **BLAST OFF!** They have been exploring the Solar System in the class rocket and have been counting down from 10-0 and making their own number lines. In Literacy we have been focusing upon 'fact finding' about space, for our class information book. The children used a variety of non-fiction books and different search engines on the internet, to gather 'true' facts and information. They then used their phonic knowledge to write simple sentences about space and have even used a full stop! The Sea Goats have been practising to pronounce the two difficult sounds of the diagraph **th** and they have been working very hard to recognise the Phase 3 Tricky words. During our PE session, it was wonderful to witness the children using their Learning Powers of, 'being brave' and 'having a go' whilst attempting to jump over a hurdle. The children encouraged one and other, with the most reluctant of Sea Goats eventually jumping. The sense of pride and achievement the children experienced was fantastic. Have a great weekend.

### Important reminders

The FS Christmas concert, *Snowflakes at Christmas*, will be on **Wednesday 12<sup>th</sup> December 9.45am** in the school hall. Please may we ask that children dress in a winter/Christmas theme for example, *snowflake, star, snowman, Santa, elf or a special Christmas outfit*. Costumes need to be in school by Monday 10<sup>th</sup> December. If you need further information or support with a costume, please come into class and speak to a member of the team. PE kits will not be needed in school till after the Christmas holidays as the school hall will be used for Christmas productions
