

FS2 News letter

The Sea Goats have had a busy first full-time week at school. All the children have risen to the challenge and even those Sea Goats who, at times, have been tired and tearful, have all had fun and made new friends. Miss Tarpey is very proud of the children for 'having a go' at new experiences and especially for trying different foods during lunch time. In Phonics the children have been listening to the sounds in words and we have been focusing upon words that rhyme. In maths the children have been counting out as far as they can go and ordering numerals to ten and beyond. The Sea Goats have been talking about how they have changed since they were babies and have had lots of fun creating their own self-portrait using charcoal. Have a fantastic weekend and enjoy SHAPE Fest.
