

## FS2 Newsletter

The Sea Goats have had a busy couple of weeks. The children were very eager to tell Miss Tarpey all about Baby Ben's 1<sup>st</sup> Birthday, they had a great time making birthday cards, playing party games and eating the delicious birthday muffins they had made. This week all the Sea Goats had a fantastic time during our puddle hunt in the rain. They had some interesting insights into how puddles are formed and why, even though wearing waterproof boots, some feet still got wet! In Literacy the children have worked hard in phonics and have been practising the **s** and **a** phonemes. Next week they will be focusing upon **t** / **p** / **i** phonemes and exploring how to blend sounds together to hear different words. In Maths the children will continue to embed their skills in counting and ordering numerals. They will begin to practise the concept of one more and one less than a given number up to 10. Have a wonderful weekend.

### Important Information

Each **Monday** children will visit the library to exchange their book. Please can we ask that all children bring their library books back into school using their dedicated book bag.

### Snack Station
