

FS2 Newsletter

The children have been extremely busy over the past week, especially with their Phonics. They have had great fun exploring the different phonemes (s/a/t/p/i/n/m) and have been busy making **Igloos**, **Tiger Toes**, **nnnn –Necklaces** and **Moving Monsters**. Next week the children will be focusing upon the phonemes, **d /g /o /c**. In Maths, the Sea Goats have been consolidating their understanding of two dimensional shapes. They have been discovering different shapes and patterns in their environment and have enjoyed experimenting with **repeating patterns**. The Shape Hunt around the whole school was a huge hit with the children, they especially enjoyed using the iPads to take their own photographs of shapes they found. Have a great weekend.

Important Information

Forest School will be on **Wednesday** next week, instead of the usual Tuesday. **On Friday 18th October** the FS2 Phonics Workshop will take place in the morning (9.15 -10.15am) and the House Cross Country Race will be held at 13.30pm. Children will need their PE in school for this event.
