

FS2 News letter

The Sea Goats have had a very busy first week back. They have been engrossed in the story of **Guy Fawkes** and his dislike of **King James I**. They had a great time re-enacting the story in 'Drama Squares' and they particularly enjoyed retelling the story through dance, during our PE session. The Sea Goats have consequently become very interested in castles and dungeons and the concept of the **past** therefore, this will become the lead to our next phase of learning. In Literacy, the children have been busy learning the phonemes **e/u/r**, next week they will be focusing upon **b/h**. During Maths, the children have been practising sorting 2D and 3D shapes and they are working hard to remember the difficult names of some of the 3D shapes (cube, cuboid, cylinder, sphere, cone, and square based pyramid) Have a wonderful long weekend.
