

FS2 News letter

The Sea Goats have been busy creating **Le Chateau**, mixing different shades of grey and producing a stone effect using a sponge technique. The children are working hard to design a drawbridge and prepare for a variety of events they have suggested from battles with Guy Faulks, to royal weddings and Knight Races! In Literacy, the Sea Goats have been exploring the phonemes **b / f / l**, next week we will be assessing all the children on their phonic acquisition before we commence onto **Phase 3** of Letters and Sounds. During Maths, the children had great fun counting up in 10s all the way to 100 and finding the missing numerals in a number line up to 30. Have a great weekend.

Information

On **Thursday 28th November** the Sea Goats will be visiting the American Elementary school to join in with **Thanks Giving** celebrations
