

## FS2 News letter

The Sea Goats have had a fantastic first couple of weeks back and it is great to see the children full of enthusiasm and energy to learn. They have been working tremendously hard mastering the difficult diagraphs **sh**, **ch** and **th**. Next week we will be focusing upon **ng** and **ai** (ring, rain). The Children have enjoyed using the **Story Stone** to help them use their imagination when adding different parts to a whole class story. During the story telling sessions, the children were introduced to a new class character, Dogum, the dog. Next week, the children will be creating their own stories about Dogum and they will be using their phonic knowledge to write simple sentences. During Maths, the Sea Goats have been practising using 100-Bead Strings to support their work on addition number problems. They have been using the mathematical language of **add** and **equals**. Have a great weekend.

### Information

The children have taken an interest in robots, we would like to ask for donations of any clean, empty food tins, old metal pots, pans, colanders and different sized cutlery. Thank you ☺

### Snack

Monday – Tangerines

Tuesday – Madeline's / cucumber

Wednesday – Bananas / tomatoes

Thursday – Pear / watermelon
