

FS2 News letter

The Sea Goats have had an excellent week and Miss Tarpey is very proud of how mature and responsible the whole class have behaved. They have been working extremely hard on the **ai** and **ng** diagrams during our phonics sessions and they have enjoyed making **ri**ngs and very messy **rai**n paintings. Next week, the Sea Goats will be focusing upon the diagraphs **ee**, **oa** and the trigraph **igh**. The children have discussed what they would like for a new role play area, and a **fire station** has won the vote. The Sea Goats will be researching what a fire station looks like, what props they will need and find out what firefighters do. They will have the responsibility of planning, designing and building their own station. In Maths, the children will continue to embed their addition skills. Have a wonderful weekend.

Information

A final plea for empty food cans, metal pots and pans, old cutlery or unusual vessels. Many Thanks

Snack

Monday – Tangerines
