

FS2 News letter

The Sea Goats have had an exciting week with a special visit from Firefighter Tom (thank you Mr Thomas). They had a fantastic time asking Mr Thomas lots of questions and they collected interesting facts to write in our whole class information book, which they will be focusing upon next week. The Sea Goats have worked hard learning the **oa** diagraph and the different sounds of the sound **oo**. Next week, the children will be learning **ar / or / ur**. In Maths, we will be venturing into the concept of measure and comparing different lengths and heights. Have a fantastic weekend.

Information
