

FS2 News letter

The children have all worked super hard this week and have impressed Miss Tarpey with their enthusiasm and determination, especially during their phonic sessions. They have been busy reading and writing words with the **ar** and **or** diagraph and have been working hard practising the Phase 3 tricky words. The Sea Goats will be exploring the **ur / ow / oi /** sounds next week. Phase 3 will draw to an end as we master the tricky, final trigraphs, of **ear / air / ure** after half term. The children had lots of fun measuring the length and height of different objects, especially Mr N! Next week we will be comparing different weights and using the language of *heaviest* and *lightest*. Have a great weekend.

Information

PE kits will be sent home on Wednesday. School closes at **1pm on Friday 21st February**
