

FS1 Elf Class News Letter

02.10.20 This week the children have explored the first real signs of Autumn outside. The leaves are turning beautifully and the children have loved wrapping up warm and being in the garden though all the wet and windy weather. We released our butterflies this week in between the rain and the children loved that. We used tweezers to sort and count conkers. Look out on Tapestry for more amazing autumnal adventures next week.

Notices Warm non uniform for outside weather Mon Forest school

Warm PE clothes for Friday dance and PE in the hall

Please use the doorbell if coming late and remember you cannot enter the building without appointment or permission.
