PSA – End of Year Report

Academic Year 2021-2022

Introduction

What a difference a year makes! From a continuation of the challenging coronavirus situation at the start of the academic year, to a return to close to normality at the end. Thank you for your continued support for the Parent Staff Association (PSA) as we champion our school and our community.

Although some of our plans to both meet and raise funds were thwarted by the pandemic at the start of the year, we finished the year being able to re-commence raising money for the school. We held a successful pre-loved uniform sale at Shape House in May, ran stalls at Brit fete (special thanks to Kerry Farr for tirelessly planning, setting up and running the hugely successful tombola stall with her family) and sold jubilee merchandise.

Donna Pauli, our fantastic Communications Manager, had to step down from the post recently. Donna helped re-ignite the PSA with her talent and enthusiasm during her time as our Communications Manager and we would like to thank her for all her hard work and wish her every success in the future.

The Future

As we progress into the next academic year, we strive to build on our strong relationship with the school and support a vast array of initiatives and events that can now take place. The PSA will be on hand to welcome new parents during the introductory sessions booked to take place during the start of the new term. In this way we hope to develop a strong foundation of willing volunteers that will prove vital as we move forward.

Joining the PSA is a fabulous way to meet people whilst raising money to help our fantastic school. The Association offers a valuable opportunity to parents to assist in enhancing the learning experience for all the children at the British Section. We welcome new parents and the ideas and enthusiasm that they bring.

Financial Position

Our annual income potential for this academic year was reduced due to the pandemic. However, we still managed to raise monies through our stalls and sales at the end of the academic year (see below) and we currently hold over 8,800 euros in funds. This will enable us to purchase leaver coins and be able to fund initiatives in the school in the new academic year.

Our PSA team

We hope to recruit new active members to the PSA. If you would like to help us with ideas, planning and running events and fundraising do please get in touch.

We are currently looking for a new Communications Manager. If you love communicating with people and are social media and Information and Communications Technology savvy, we would love to have you on our team to help publicise the PSA.

If you are interested in joining the PSA or volunteering your time to support events please contact Vicki Manders-Trett for more details at: victoria.manderstrett@shape.nato.int

PSA Core Members team

Heather Travers – Chair/Parent

Vicki Manders-Trett- Secretary/Parent

Lynne Robertson – Treasurer/School Business Manager/Parent
